Precisely six hundred days before the ReQuest2021 team plan to set off from South America they have now raised over £55,000 towards their £110,000 target.

Despite the setbacks caused by the Covid-19 lockdown they remain dedicated to pursuing their dream and keeping up a really consistent fundraising effort.

They now need to raise the other £55k before the end of June 2021 to turn the dream into a reality.

They plan to hold the postponed Fundraising Dinner, Grand Auction and Sponsored Row-A-Thon events early in 2021 now instead.
